

Chocolate Chip Cookie

Drop that pack of Chips Ahoy! and let Donna Phelps of Donna's Gourmet Cookies ease your cookie confusion. Her chunky all-natural creations are stripped down to the basic ingredients: flour, sugar, butter, eggs, and chocolate. Phelps, who sells her sugary treats at farmers' markets all over the city during the spring and summer months, claims there's a "secret ingredient" that makes her cookies better than everyone else's. We don't know what it is, but we're pretty sure it isn't partially hydrogenated cottonseed oil. 10774 Montgomery Rd., Sycamore Twp., (513) 489-9600
